Built-in dishwashers from Bosch can be installed under the counter or in a tall cupboard putting the working height at eye level which is easier on your back. For counters with a height of 87 cm or more at the lower edge, we recommend an XXL dishwasher. With 5 cm more space inside, you'll have more room for baking trays, larger plates and pans.

At Bosch, we care about your dishes and also about your home safety.The AquaStop System consists of a double-walled feed hose, a mechanical valve in the feed hose and a visual display. Water running out collects in the hose casing and causes a sponge to swell up, which then stops the flow of water mechanically.

Before you push the dishwasher into the alcove, adjust the rear leveling feet to bring the top to within 1/2 inch of the countertop. Once the dishwasher is in place, open the door, place a level on the floor and adjust the front feet to level the appliance. Once it's level, screw it to the underside of the countertop.
