This ERIC digest presents a summary of discussions from urban educators who addressed the issue of school violence at a National Education Association meeting held May 19, 1994. These educators note that American society is steeped in violence, particularly in urban areas, where children experience frustration, helplessness, and anger, and where they more often express that anger in violent ways.

~~The Paton Welding Journal~~  
CO<sub>2</sub> lasers are increasingly being  
utilized for quality welding in  
production. Considering the high  
equipment cost and high productivity,  
the start-up time and set-up time for  
new products should be minimized.  
Today most parameters involved in  
laser welding still have to be manually  
fine-adjusted when initiating welding
